Payment Options

Cash and credit card are accepted in all Medallion Club bars and restaurants, with the exception of our retail outlets and In Seat Service, where only cash is accepted. Medallion Club Members also have two additional payment options available – Charge Cards and Credit Card Authorisation.

Both of these added options allow you to arrange payment in advance, allowing you to prepay an account, either for yourself or for your clients or guests if you are entertaining.

The Medallion Club Charge Card:

The Medallion Club Charge Card provides Members with an event day alternative to cash. Acting like a debit card but totally transferable, a predetermined dollar amount from \$50 to \$1000 can be deposited on your card. Each time you use your card on event day in the Club, the dollar value of each transaction will be automatically debited from your original balance.

You can choose to dispose of your card after a single use or you can 'Top Up' the card and use it again and again. The Charge Card is perfect for entertaining or as a staff reward as you can set a limit on each card and pass it on with tickets. Your clients or guests can then use the card in any of our four restaurants or two bars.

Charge Cards should be purchased seven days prior to the event at which you wish to utilise it and 'Top Ups' may be done up to two days prior to an event. Members are also responsible for keeping a record of each card in the event that they are lost or stolen. **Cards cannot be redeemed for cash and refunds will not be given.**

For full terms and conditions and to apply for a Medallion Club Charge Card simply download the application form from the Medallion Club website and fax back to our Member Services Team on 1300 650 485.

Please note that our retail outlets and In Seat Service do not accept Charge Cards, Credit or Debit cards.

Credit Card Authorisation:

An alternative to the Medallion Club Charge Card and equally as convenient is the Credit Card Authorisation service. This service enables you to prepay for your dining or beverage account on a supplied Credit Card, set the dollar limit and the Medallion Club restaurant or bar where you want this authorisation to be valid.

If the Credit Card Authorisation is for use in one of our Medallion Club restaurants, please note that you will need to place your booking first and then ensure that you include the booking reference number on the application form.

Simply download the Credit Card Authorisation Form from the Medallion Club website and fax it back to the Member Services Team at least 24 hours prior to the event date.

Automatic Teller Machine

For the convenience of Members, an ATM is located at Aisle 6, just outside the Medallion Club entrance.
